EDUCATION

National Institute of Technology (NIT) , Kurukshetra
Bachelor of Technology
📅 2019 - 2023

CGPA
9.03 / 10.0

Jawahar Navodaya Vidyalaya (JNV) , Yamuna-Nagar
Senior Secondary School Examination (CBSE)
📅 2017 - 2018

Percentage
88.4 / 100

Jawahar Navodaya Vidyalaya (JNV) , Yamuna-Nagar
Secondary School Examination (CBSE)
📅 2015 - 2016

CGPA
9.4 / 10.0

EXPERIENCE

Growbiz Solutions
Software Developer
📅 06/2023 - Present
- Led the creation and optimization of data visualization tools using JavaScript, enhancing overall efficiency and functionality for seamless data management.
- Streamlined Salesforce applications through end-to-end development, managing both frontend and backend responsibilities.
- Designed and implemented features for web applications using Python and Flask, integrating authentication and authorization mechanisms to ensure secure application access.
- Developed RESTful APIs for seamless communication between frontend and backend.

Siemens
Project Intern
📅 01/2022 - 06/2022
- Designing and Simulating the process of the Wrist Watch Manufacturing Plant using the Tecnomatix Plant Simulation Software by Siemens.
- Using the SimTalk Programming Language for automation.
- Learned to create, operate and evaluate plant process simulations for advanced manufacturing processes.
- Effectively utilized the advanced tools for automation in manufacturing processes and material handling which helped to improve plant performance.

PROJECTS

Blog Web-App
- Developed a dynamic Blog website with a strong emphasis on engaging users and enabling content sharing.
- Implemented robust user authentication and authorization systems, ensuring secure access and personalized experiences for registered users.
- Enables user to create account and perform various CRUD operations.

Restaurant Web-App
- Designed the website for an interactive and engaging user experience, ensuring seamless navigation through the restaurant's story, menu, and contact information.
